CAROLINA PAGLIANO

Operations Coordinator | Office & Facilities | AI Process Improvement

London, UK • +44 7541 321 748 • carolinapagliano@gmail.com • LinkedIn • Portfolio

***Operations professional** with **10+ years of international experience** across consular, public sector, legal and facilities environments. Skilled in **case management**, **SLA tracking**, **vendor coordination** and **AI-assisted process improvement**, delivering accurate, confidential service in **English, Spanish and Portuguese**.*

AREAS OF EXPERTISE

- Process Improvement
- SOP Development
- Workflow Automation
- Prompt Engineering
- SLA Tracking
- Records Management
- Vendor Management
- Diary Management
- Appointment Scheduling
- Event Coordination
- Onboarding & Mentoring
- Facilities Coordination

KEY ACHIEVEMENTS

Process automation: Cut document logging and applicant emailing time from 4 hours to under 30 minutes by building an automated tracking spreadsheet with generative AI.
Event coordination: Served 20 citizens in a single day by organising appointments, attendee lists and documentation for a consular outreach mission to Glasgow.
Client engagement: Engaged 40+ attendees each month across 20+ client companies by running a recurring tenant events programme.

PROFESSIONAL EXPERIENCE

CONSULATE OF ARGENTINA **London, UK**
Consular Officer (Passport Section Lead) June 2023 – Present

- Process 50+ consular cases per month, including passports, national IDs, nationality claims and Emergency Travel Documents, in line with strict regulatory standards.
- Handle 160+ phone, email and in-person enquiries per month as first point of contact, explaining complex document requirements clearly to applicants and diplomatic stakeholders.
- Support 3 Consuls by coordinating appointments and urgent cases, tracking action items and reprioritising work when emergency cases arise.
- Organised a one-day consular outreach mission to Glasgow (November 2025), managing appointment scheduling, the attendee list and citizen documentation for 20 applicants.
- Onboarded and mentored 3 new Passport Section staff, and act as the team's go-to contact for complex cases.
- Reconcile daily application and payment reports, then prepare and submit the month-end financial report to the Accounts section in Argentina.

JUNTA DE SEGURIDAD EN EL TRANSPORTE (JST) **London, UK**
Administrative Assistant April 2022 – June 2023

- Coordinated communication and administrative work between government bodies and international organisations, including the International Maritime Organization (IMO).

UNIVERSAL MOTORCYCLE TRAINING **London, UK**
Customer Service & Operations Advisor March 2021 – March 2022

- Coordinated course schedules across 3 training sites, booking trainees, rebooking no-shows and matching each course to an available instructor.

- Resolved a high volume of calls, emails and walk-in requests in English, Portuguese and Spanish processing bookings and payments and keeping customer records accurate.

REGUS (IWG PLC) **Buenos Aires, Argentina**
Community Associate (Operations & Facilities) October 2019 – December 2020

- Ran front-of-house and facilities operations across 2 commercial floors serving 20+ corporate and flexible workspace clients.
- Coordinated 6+ suppliers, including building management, catering, office supplies, maintenance and cleaning, and checked billing accuracy.
- Planned a recurring tenant events programme of monthly socials for 40+ attendees, fortnightly networking sessions and weekly engagement activities.

PROVINCIA MANDATOS **Buenos Aires, Argentina**
Office Assistant & Receptionist March 2013 – July 2018

- Managed reception and front-office logistics for a 20-person financial services firm, supporting internal legal counsel with document preparation, records filing and statutory correspondence.

EDUCATION

INSTITUTE OF LEGAL SECRETARIES AND PAs (ILSPA), London *In progress (2026)*
Legal Secretary Diploma
OTT COLLEGE, Buenos Aires *December 2020*
Hotel Operations Diploma
GREYSTONE COLLEGE, Toronto *June 2019*
Hospitality Skills Certificate and Co-op Placement (ISX Canada & The Fifth Inc.)

PROJECTS

Consular Operations Suite (Self-initiated, Consulate of Argentina) September 2026 – Present

- Identified bottlenecks in manual document logging and applicant communications, then designed 4 tools + 1 SOP outside formal role scope using generative AI; all are now in active use.
- Built a self-service eligibility triage tool with 3 assessment pathways to screen applicants before booking.
- Created a tracking spreadsheet using Management by Exception, with 40- and 60-day SLA flags to surface delayed applications.
- Replaced manual data entry with barcode scanning that updates each applicant's document status automatically, reducing logging and emailing time from 4 hours to under 30 minutes.
- Created a one-page SOP with AI assistance covering the 4-stage end-to-end process, now used for onboarding and handovers.

CERTIFICATES

- Introduction to Python, EducaciónIT In progress (2026)
- Google AI Professional Certificate, Google (Coursera) September 2026
